### Statement by the Prime Minister of Canada

It is with great pleasure that I join Heritage Beyond Borders, in partnership with United Communities of Canada, to celebrate its 14<sup>th</sup> Anniversary and Annual Awards and Gala Dinner.

Established in 2008, Heritage Beyond Borders is a non-profit multicultural organization that aims to promote tolerance among diverse communities in Canada and is an initiative to promote multiculturalism with the aim of achieving community harmony and integration with their principle theme of “one heritage one world”. It is because of the important efforts of organizations, like Heritage Beyond Borders, that help enhance our nation’s diversity as we continue to make our country a better place for everyone.

This year, we faced significant challenges, including the COVID-19 pandemic. While our celebrations may be different from previous years, they still hold the same significance and meaning.

Wishing everyone attending a wonderful and enjoyable gala dinner and celebration!
